

Technology Fee AY 2017-2018 Awards

	Submitting Unit	Proposal Type	Proposal Title	Proposal #	
1	Arts and Humanities- College Of	Student	Performing Arts Center Instructional Technology Upgrade	1718-38	FALL
2	Arts and Humanities- College Of	Student	Africana Primary Source Collections II	1718-39	
3	Arts and Humanities- College Of	Student	Physical Theatre Technology Grant	1718-06	
4	Arts and Humanities- College Of	Student	Increasing BFA and MFA Animation Student Success at CEM	1718-13	
5	Education and Human Performance- College Of	Student	Exceptional Education Teacher Development	1718-34	
6	Education and Human Performance- College Of	Student	Enhancing student instruction and research in exercise hematology	1718-29	
7	Education and Human Performance- College Of	Infrastructure	CEDHP Infrastructure – Upgrading the Telecom Closets	1718-24	
8	Engineering and Computer Science- College Of	Student	TI Innovation Lab Equipment	1718-57	
9	Engineering and Computer Science- College Of	Student	IDEAS Showcase and TI Innovation Lab_ An Experiential Learning Technology Project	1718-58	
10	Engineering and Computer Science- College Of	Student	Improving the Interactive Computing Experience Virtual Reality Teaching Lab	1718-59	
11	Information Technologies and Resources	Student	American Chemical Society (ACS) Legacy Archives	1718-27	
12	Information Technologies and Resources	Infrastructure	UCF Apps Expansion	1718-50	
13	Information Technologies and Resources	Student	LibTech Equipment Upgrades_Replacement_Expansion	1718-23	
14	Information Technologies and Resources	Student	Loaner Equipment Refresh	1718-69	
15	Medicine- College Of	Infrastructure	HSC Network Refresh	1718-51	
16	Nursing- College Of	Student	Simulation_ The Future of Nursing Education	1718-05	
17	Regional Campuses	Infrastructure	Daytona Fiber Network	1718-71	
18	Research and Commercialization- Office Of	Student	Leica ScanStation P40	1718-43	
19	Sciences- College Of	Student	Go Direct Sensors for Active Learning in STEM Courses	1718-60	
20	Student Development and Enrollment Services	Student	Automated Patient Self Check-In Process	1718-35	
21	Arts and Humanities- College Of	Student	Experiential Media Equipment	1718-04	SPRING
22	Arts and Humanities- College Of	Student	Advanced Sound Production Equipment	1718-16	
23	Business Administration- College Of	Student	COBA Active Learning Classroom II	1718-01	
24	Division of Digital Learning	Student	Trevor Colbourn Classroom Technology	1718-46	
25	Engineering and Computer Science- College Of	Student	CNC Machining Center 4th Axis Enhancement	1718-52	
26	Engineering and Computer Science- College Of	Student	Designing energy systems for the real-world_ an experimental and computational approach	1718-07	
27	Health and Public Affairs- College Of	Student	HPA1-111 Computer Lab PC Refresh	1718-44	
28	Nursing- College Of	Student	College of Nursing Active Learning Space	1718-53	
29	Regional Campuses	Student	BS in Photography Equipment Upgrades	1718-41	
30	Regional Campuses	Student	UCF Connect South lake Lab	1718-74	
31	Research and Commercialization- Office Of	Student	A GPU-Based Educational High-Performance Computing Cluster	1718-36	
32	Sciences- College Of	Student	Sciences Classroom Technology Biological Sciences	1718-66	
33	Sciences- College Of	Student	Sciences Classroom Technology - Anthropology	1718-56	
34	Sciences- College Of	Student	Sciences Technology Biological Sciences 415	1718-64	
35	Student Development and Enrollment Services	Student	Student Success Laptop Loaner Program	1718-17	
36	Arts and Humanities- College Of	Student	Film Advanced Media Lab	1718-18	
37	Arts and Humanities- College Of	Student	Digital Media Lab Peripherals	1718-08	
38	Division of Digital Learning	Infrastructure	Sandbox network infrastructure expansion	1718-61	
39	Engineering and Computer Science- College Of	Student	Computer Hardware and Software Upgrade for Mechanical_ Aerospace and Bio Engineering Measurements Labe	1718-40	
40	Regional Campuses	Student	Cocoa 270 Multimedia Computer Classroom	1718-37	
41	Sciences- College Of	Student	Sciences Classroom Technology- Chemistry Labs	1718-67	
42	Sciences- College Of	Student	Sciences Classroom Technology- Lou Frey Institute	1718-54	
43	Sciences- College Of	Student	Sciences Classroom Technology Physics Studio Lab	1718-63	
44	Sciences- College Of	Student	Sciences Classroom Technology-Psychology	1718-45	
45	Sciences- College Of	Student	Replacing the dead UPS for computer clusters used for physical chemistry lab	1718-02	
46	Student Development and Enrollment Services	Student	Student-Athlete Tech Enhancement	1718-25	
47	Student Development and Enrollment Services	Student	Increasing Career Readiness Student Learning through Virtual Interviews	1718-10
